INDEX OF AUTHORS AND SUBJECTS vol 41 1989

Abdominal emergencies
Tropical surgical abdominal emergencies: acute appendicitis 118
ANTONIO ACETI, DOMENICO CELESTINO, MARTA CAFERRO, ALFREDO PENNICA and ANTONIO SEBASTIANI. Total and specific IgE in sera from protein patients with invasive amoebiasis 151
E.O. ADEKOLU-JOHN. A community survey of haematological values in rural Nigeria 31
C.O. ADESANYA, F.I. ANJORIN, I.O. ADEOSHUN, N.McD. DAVIDSON and E.H.O. PARRY. Peripartum cardiac failure. A ten year follow-up study 190
Aflatoxins
Aflatoxins in liver biopsies from Kenya 26
O. AKINOLA, O. FASHAKIN and W.O. ODESANMI. Primary malignant lymphoma of the submandibular salivary gland in a Nigerian. Case report and review of literature 280
DAOOD S. AL-MUDALLAL, ABDUL RAHMAN M. MOUSA and AMIN A. MARAFIE. Apyrexic *Brucella melitensis* aortic valve endocarditis. 372
J.R. ALUOCH. Renal and electrolyte profile in steady state sickle cell disease: observations in patients with sickle cell disease in the Netherlands 128
Amoebiasis
Total and specific IgE in sera from patients with invasive amoebiasis 151
Unusual presentation of amoebic liver abscess 69
Anthrax
Anthrax in Ethiopia 108
Antibiotics
Antibiotic-susceptibility of *Neisseria meningitidis* in Egypt 285
Appendicitis
Tropical surgical abdominal emergencies: acute appendicitis 118
T.V.S. ARYA, R.N. PRASAD, SUSHMA BHANDARI and RAJNEESH AWASTHI. Spontaneous and quinine induced hypoglycaemia in severe falciparum malaria 73
Ascites
Laparoscopic evaluation of ascites and other abdominal conditions in Ethiopia 341
OLUFEMI EMMANUEL BABALOLA. Trachoma in Kaduna, northern Nigeria. Recent observations on pattern of clinical presentation 41
GANESH BABU, N.K. GANGULY, S. SINGHI and B.N.S. WALIA. Value of C-reactive protein concentration in diagnosis and management of acute lower respiratory infections 309
HASSAN M. BAHAKIM and IMAN M. EL-IDRISSY. Epidemiological observations of consanguinity and retinoblastoma in Arabia. A retrospective study 361
AMOLAK S. BANSAL and P. PRABHAKAR. Chromomycosis: a twenty-year analysis of histologically confirmed cases in Jamaica 222
Birthweight
Birthweight distribution in a healthy urban population in Surabaya – Indonesia 146
Blindness
Trachoma in Kaduna, northern Nigeria. Recent observations on pattern of clinical presentation 41
Blood donors
Attitudes of Nigerians towards blood donation and blood transfusion 89
Haemoparasites of blood donors in Calabar 61
Blood pressure
Choice of intravenous fluid infusion in labour and maternal postpartum blood pressure 227
Blood sugar
Serum growth hormone, insulin and blood sugar responses to oral glucose in protein energy malnutrition 9

Haemoparasites of blood donors in Calabar 61
Blood pressure
Choice of intravenous fluid infusion in labour and maternal postpartum blood pressure 227
Blood sugar
Serum growth hormone, insulin and blood sugar responses to oral glucose in protein energy malnutrition 9

Blood transfusion
Attitudes of Nigerians towards blood donation and blood transfusion 89
BOOK REVIEWS
Hospitals and health for all (97); Evaluation of the strategy for health for all by the year 2000 (97); Malaria. Principles and practice of malariology (286); Community Health Systems in the Rural American South: linking people and policy (286); 100 clinical problems in tropical medicine (287); Doctor on Saba. Health care and disease in a Caribbean family practice (388); Practical guide to refugee health care (388); Maternal Health Care in the South Western Highlands of Tanzania (389); A holistic approach to perinatal care and prevention of handicap (389); From Alma-Ata to the Year 2000: Reflections at the midpoint (390); Selective Feeding Programmes (390); Nutritition rehabilitation in the South Western highlands of Tanzania. A two way learning process (391); Infant Feeding. Anatomy of a controversy 1973-1984 (391); Intervention in child nutrition: evaluation studies in Kenya (392); Cancer occurrence in developing countries (392); A Guide to Leprosy control (393); 6th Report of the WHO Expert Committee on Leprosy (393); Implementing Multi Drug Therapy for Leprosy (394); Communicable and Tropical Diseases (394); Aids and HIV infection in the Tropics (395); Tuberculosis control as an integral part of primary health care (395); Vitamin A supplements. A guide to their use in the treatment and prevention of vitamin A deficiency and xerophtalmia (396); Hospitals and the Health Care Revolution (396); Tuberculosis control programmes in developing countries (397); Diagnostic Techniques in Medical Parasitology (397).
L.J. BOOMSMA. Peripartum cardiomyopathy in a rural Nigerian hospital 197
E.I. BRAIDE, E.I.O. EGBE, J.I. OKORO and A. INYANG. Prevelance and geographical distribution of dracunculiasis (Guineaworm disease) in Cross River State, Nigeria 289
Breast
Schistosomal ova in a female breast 365
Breast cancer
Breast cancer in West Indian women in Trinidad 257
Breast milk
Transmission of lymphocyte responsiveness to schistosomal antigens by breast feeding 208
Brucellosis
Apyrexic *Brucella melitensis* aortic valve endocarditis 372
Brucellosis: atypical presentation with peritonitis and meningitis 160
Burkitt's lymphoma
Intravenous urographic findings in Burkitt's lymphoma 261

C-reactive protein
Value of C-reactive protein concentration in diagnosis and management of acute lower respiratory infections 309
Caesarean Section
Poor acceptance of Caesarean Section in Zimbabwe 230
Campylobacter-infections
The role of macrophages in experimental Campylobacter-infections of mice in Lagos, Nigeria 154
Cardiomyopathy
Peripartum cardiac failure. A ten year follow-up study 190
Peripartum cardiomyopathy in a rural Nigerian hospital 197
Chloroquine
Status of the response of *Plasmodium falciparum* to chloroquine and mefloquine in Iran 297
Cholera
Cholera epidemic and natural disasters; where is the link 377
Cholesterol
A clinical profile of patients with coronary artery disease in Nigeria 242
Plasma HDL cholesterol, triglyceride and total cholesterol levels in non insulin treated Nigerian diabetics 238
Chromomycosis
Chromomycosis: a twenty-year analysis of histologically confirmed cases in Jamaica 222

Chronic rhinitis
The value of electrocautery to the inferior turbinates in the treatment of chronic rhinitis 169
Circulation
Cardiovascular and pulmonary complications of epidemic typhus 76
Coagulation
Blood coagulation changes in liver disease 247
Consanguinity
Epidemiological observations of consanguinity and retinoblastoma in Arabia. A retrospective study 361
Coronary artery disease
A clinical profile of patients with coronary artery disease in Nigeria 242
Cutaneous larva migrans
Outbreak of cutaneous larva migrans in a family household 66

S.C. DAS, U.P. ISICHEI, J.O. EGBUTA and A.I. BANWO. Cations and anions in drinking water as putative contributory factors to endemic goitre in Plateau State, Nigeria 346
S.M. DIAB, G.F. ARAJ, A.J. AL-ASFOUR and A.R. AL-YUSUF. Brucellosis: atypical presentation with peritonitis and meningitis 160
S.M. DIAB, G.F. ARAJ and F.F. FENECH. Cardiovascular and pulmonary complications of epidemic typhus 76
Diabetes mellitus
Pattern of diabetes mellitus in the Sudan 353
Plasma HDL cholesterol, triglyceride and total cholesterol levels in non insulin treated Nigerian diabetics 238
Plasma magnesium and retinopathy in black African diabetics 234
Use of a portable glucose meter in a Nigerian diabetic clinic 141
Diarrhoea
Chronic diarrhoea: a methodologic basis for its apparent heterogeneity 100
Diverticulosis
The emergence of colonic diverticulosis in urbanised Indians . A report of 23 cases 254
Dracunculiasis
Prevalence and geographical distribution of dracunculiasis (Guineaworm disease) in Cross River State, Nigeria 289
Drug resistance
Primary and acquired drug resistance in *Mycrobacterium tuberculosis* strains in Western region of Libyan Arab Jamahiriya 304
Status of the response of *Plasmodium falciparum* to chloroquine and mefloquine in Iran 297
Dyspepsia
Dyspepsia in Ibadan 337

Ectopic pregnancy
Combined intrauterine and extrauterine pregnancy in a consistent twin producer 167
Gh.H. EDRISSIAN. Status of the response of *Plasmodium falciparum* to chloroquine and mefloquine in Iran 297
AHMED M. EISSA, MOHAMED A. SAAD, AIDA K. ABDEL GHAFFAR, IBRAHIM M. EL-SHARKAWY and KARIM A. KAMAL. Transmission of lymphocyte responsiveness to schistosomal antigens by breast feeding 208
M.A.F. EL-HAZMI and A.S. WARSY. Riboflavin status in Saudi Arabia – a comparative study in different regions 22
M.A.F. EL-HAZMI and A.S. WARSY. The effects of glucose-6-phosphate dehydrogenase deficiency on the haematological parameters and clinical manifestations in patients with sickle cell anaemia 52
Electrocautery
The value of electrocautery to the inferior turbinates in the treatment of chronic rhinitis 169

Electrolytes
Cations and anions in drinking water as putative contributory factors to endemic goitre in Plateau State, Nigeria 346
Plasma and urine electrolyte concentrations and vasopressin levels in patients admitted to hospital for falciparum malaria 57
Renal and electrolyte profile in steady state sickle cell disease: observations in patients with sickle cell disease in the Netherlands 128
M.T. ELGHOUL, R.M. JOSHI and T. RIZGHALLA. Primary and acquired drug resistance in *Mycobacterium tuberculosis* strains in Western region of Libyan Arab Jamahiriya 304
ELISA
Enzyme-linked immunosorbent assays (ELISA) for the diagnosis of enteric fever 213
A.O. EMERIBE and G. CHUKS EJEZIE. Haemoparasites of blood donors in Calabar 61
Encephalopathy
Trypanosomiasis in a rural hospital in Tanzania. A retrospective study of its management and the results of treatment 113
Endocarditis
Apyrexic *Brucella melitensis* aortic valve endocarditis 372
Endoscopy
Dyspepsia in Ibadan 337
Enteric fever
Paratyphoid fever presenting with renal failure and nephrotic syndrome 368
Epidemic typhus
Cardiovascular and pulmonary complications of epidemic typhus 76
R.T. ERASMUS, A.O. OLUKOGA, R.A. ALANAMU, H.O. ADEWOYE and B. BOJUWOYE. Plasma magnesium and retinopathy in black African diabetics 234
R.T. ERASMUS, B.J. BOJUWOYE, O. OLUKOGA and H. ADEWOYE. Plasma HDL cholesterol, triglyceride and total cholesterol levels in non insulin treated Nigerian diabetics 238
Eye
Cestode larva (sparganum) in the anterior chamber of the eye 270

HASSAN FADLALLA AHMED and K.S. MATHEW. Unusual presentation of amoebic liver abscess 69
Faecal coliforms
Contamination of drinking water during collection and storage 138
Falciparum malaria
Plasma and urine electrolyte concentrations and vasopressin levels in patients admitted to hospital for falciparum malaria 57
Spontaneous and quinine induced hypoglycaemia in severe falciparum malaria 73
ADEYINKA G. FALUSI and G.J. FOLAYAN ESAN. Hpa-I polymorphism and the sickle gene in Nigerians 133
Z. FARID, J. WOODY and M. KAMAL. Praziquantel and acute urban schistosomiasis 172
HENRIK FRIIS and JENS BYSKOV. The effect of praziquantel against *Schistosoma mansoni*-infections in Botswana 49
R.J. FRYATT, J.D. TENG, A.D. HARRIES, A.H. MOODY, A.P. HALL and M.L. FORSLING. Plasma and urine electrolyte concentrations and vasopressin levels in patients admitted to hospital for falciparum malaria 57

SATIS K. GARG, R.K. MARWAHA, V. GANPATHY, R. SIALY, B.R. THAPA, B.N.S. WALIA and R.J. DASH. Serum growth hormone, insulin and blood sugar responses to oral glucose in protein energy malnutrition 9
Gastric ulcer
Malignant giant gastric ulcer in a Nigerian 85
AIAH A. GBAKIMA, PETER T. WHITE, ALEX BOCKARIE and GEORGE KOMBA-KONGO. Parasitologic survey of *Onchocerca volvulus* infection in the Nimiyama chiefdom, Kono district, Sierra Leone 201

AIZE A. VAN GELDERMALSEN. Combined intrauterine and extrauterine pregnancy in a consistent twin producer 167
J.J. VAN GEMUND, J. BUIJS, P.A.M. VAN DONGEN and J.P.A.M. VAN DEN BERGH. Seroprevalence of *Toxocara* infection in young children in the city of The Hague 294
Glucose-6-phosphate dehydrogenase deficiency
The effects of glucose-6-phosphate dehydrogenase deficiency on the haematological parameters and clinical manifestations in patients with sickle cell anaemia 52
Goitre
Cations and anions in drinking water as putative contributory factors to endemic goitre in Plateau State, Nigeria 346

Haematological values
A community survey of haematological values in rural Nigeria 31
Haemoglobin C
Incidence of hemoglobins S and C in infants born in Miami to recent Haitian immigrants 316
Haemoglobin S
Incidence of hemoglobins S and C in infants born in Miami to recent Haitian immigrants 316
Haemoparasites
Haemoparasites of blood donors in Calabar 61
AUNG MYO HAN, KHIN NWE OO, YUTAKA MIDORIKAWA and SAN SHWE. Contamination of drinking water during collection and storage 138
IBRAHIM HEIBA, NABIL I. GIRGIS and ZOHEIR FARID. Enzyme-linked immunosorbent assays (ELISA) for the diagnosis of enteric fever 213
A.K. HEMAL and S.K. SHARMA. Giant vesico-prostatic and prostatic calculi 164
Hepatitis B
Mosquito transmission of hepatitis B 185
Human immunodeficiency virus
The prevalence of human immunodeficiency virus among pregnant women attending a hospital in the Moungo district, Cameroon 45
KENNETH C. HYAMS. Mosquito transmission of hepatitis B 185
Hypoglycaemia
Spontaneous and quinine induced hypoglycaemia in severe falciparum malaria 73
Hyponatraemia
Plasma and urine electrolyte concentrations and vasopressin levels in patients admitted to hospital for falciparum malaria 57

A. OLU IBEKWE. The value of electrocautery to the inferior turbinates in the treatment of chronic rhinitis 169
IgE
Total and specific IgE in sera from patients with invasive amoebiasis 151

M. KHALIL and H.C. GUGNANI. Rhinosporidiosis in a Nigerian 277
Kidney
Paratyphoid fever presenting with renal failure and nephrotic syndrome 368
I.C. KITAI, D.M. SANDERS and J. MANUNGO. Tuberculosis presenting as corticosteroid responsive wheezing in infancy 274
RAKESH KOCHHAR, MAHESH K. GOENKA, BIRENDER NAGI, DEEPAK K. BHASIN and SATISH K. MEHTA. The emergence of colonic diverticulosis in urbanised Indians. A report of 23 cases 254

Labour
Choice of intravenous fluid infusion in labour and maternal postpartum blood pressure 227
Laparoscopy
Laparoscopic evaluation of ascites and other abdominal conditions in Ethiopia 341

Leprosy
Hansen's disease: a cause of lymphadenopathy in endemic areas 80
Liver
Aflatoxins in liver biopsies from Kenya 26
Blood coagulation changes in liver disease 247
Laparoscopic evaluation of ascites and other abdominal conditions in Ethiopia 341
Unusual presentation of amoebic liver abscess 69
A.C. LONGE and B.O. OSUNTOKUN. Prevalence of neurological disorders in Udo, a rural community in southern Nigeria 36
Lung
Cardiovascular and pulmonary complications of epidemic typhus 76
Serum immunoglobulin and acute phase protein concentrations in pulmonary tuberculosis patients in Singapore 218
Lymphadenopathy
Hansen's disease: a cause of lymphadenopathy in endemic areas 80

Macrophages
The role of macrophages in experimental Campylobacter-infections of mice in Lagos, Nigeria 154
S.N. MADU and J.U. OHAERI. The traditional healer's approach to the treatment of obsessional neurosis. A case study at Ibadan 383
Magnesium
Plasma magnesium and retinopathy in black African diabetics 234
E.M.A. EL MAHDI, I. EL MAHDI ABDEL RAHMAN and SALIH EL DAW MUKHTAR. Pattern of diabetes mellitus in the Sudan 353
Malignant lymphoma
Primary malignant lymphoma of the submandibular salivary gland in a Nigerian. Case report and review of literature 280
Malnutrition
Serum growth hormone, insulin and blood sugar responses to oral glucose in protein energy malnutrition 9
Severe protein energy malnutrition in Lesotho, conditioning factors and death and survival in hospital 1
MARSIANTO, JANE A. KUSIN and C. DE WITH. Birthweight distribution in a healthy urban population in Surabaya – Indonesia 146
P.C. v.d. MEEBERG, R.C. KOOIMAN, N.J.F. BUISMAN, J. GOUDSMIT, J.M.A. LANGE and A.F.I. BANNENBERG. The prevalence of human immunodeficiency virus among pregnant women attending a hospital in the Moungo district, Cameroon 45
Mefloquine
Status of the response of *Plasmodium falciparum* to chloroquine and mefloquine in Iran 297
Megaloblastic anaemia
Pancytopenia in nutritional megaloblastic anaemia. A study from North-West India 331
Meningitis
Brucellosis: atypical presentation with peritonitis and meningitis 160
I.A. MIKHAIL, N.I. GIRGIS, Z. FARID, R.L. HABERBERGER and J.N. WOODY. Antibiotic-susceptibility of *Neisseria meningitidis* in Egypt 285
I.A. AL MOFLEH, F.Z. AL FALEH, A. ALLAM and A.M.A. GADER. Blood coagulation changes in liver disease 247
Mosquitoes
Mosquito transmission of hepatitis B 185
J.M. MUKIIBI. Autoimmune thrombocytopenic purpura (AITP) in Zimbabwe 326
Multiple pregnancy
Multiple pregnancy as a risk factor in rural Tanzania (*Letter to the editor*) 173

X. DE MUYLDER and P. DE WALS. Poor acceptance of Caesarean Section in Zimbabwe 230
Mycobacterium tuberculosis
Primary and acquired drug resistance in *Mycobacterium tuberculosis* strains in Western region of Libya Arab Jamahiriya 304

Natural disasters
Cholera epidemic and natural disasters; where is the link 377
Neisseria meningitidis
Antibiotic-susceptibility of *Neisseria meningitidis* in Egypt 285
Neurological disorders
Prevalence of neurological disorders in Udo, a rural community in southern Nigeria 36
Neurosis
The traditional healer's approach to the treatment of obsessional neurosis. A case study at Ibadan 383
N.K. NKANZA. Schistosomal ova in a female breast 365
DONALD A. NZEH. Intravenous urographic findings in Burkitt's lymphoma 261

C.L. OBI and A.O. COKER. The role of macrophages in experimental Campylobacter-infections of mice in Lagos, Nigeria 154
B.O. OGUNBANJO and L.D. EDUNGBOLA. Outbreak of cutaneous larva migrans in a family household 66
P.O. OGUNOWO, E.B. EKPO, C.O. ODIGWE and J.J. ANDY. A clinical profile of patients with coronary artery disease in Nigeria 242
B.A. OKORO, W.N. KAINE and T.C. OKEAHIALAM. Splenectomy in Nigerian children with sickle cell anaemia 123
ROBERT A. OKPARA. Attitudes of Nigerians towards blooddonation and blood transfusion 89
I.O. OLUBUYIDE, J.I. FATUKASI and R.O. SENBANJO. Malignant giant gastric ulcer in a Nigerian 85
I.O. OLUBUYIDE, M.A. ATOBA and E.A. AYOOLA. Dyspepsia in Ibadan 341
AKINYINKA O. OMIGBODUN. Choice of intravenous fluid infusion in labour and maternal postpartum blood pressure 227
Onchocerciasis
Parasitologic survey of *Onchocerca volvulus* infection in the Nimiyama chiefdom, Kono district, Sierra Leone 201
V.C. ONUORA, P.N. AKUMABOR and J.A. AGHAHOWA. Non-germ cell testicular tumours in Nigerians 358
JAMES K. ONWUBALILI. Paratyphoid fever presenting with renal failure and nephrotic syndrome 368
A.A. OTU. Tropical surgical abdominal emergencies: acute appendicitis 118

Pancytopenia
Pancytopenia in nutritional megaloblastic anaemia. A study from North-West India 331
Paraquat
The epidemiology of paraquat intoxications in Surinam 266
Parasitology
Meeting Netherlands Society for Parasitology, November 11, 1988 175
CHARLES H. PEGELOW and ASTRID K. MACK. Incidence of hemoglobins S and C in infants born in Miami to recent Haitian immigrants 316
R.A.A. PELLEBOER, P.D. MAASWINKEL-MOOY and H.H. V. GELDEREN. Werdnig-Hoffmann disease in a Nigerian infant 282
FREERK PEPPING, ANNEKE M. VAN DER GIEZEN, KARIN I. DE JONGE and CLIVE E. WEST. Food consumption of children with and without xerophthalmia in rural Tanzania 14
Peripartum cardiac failure
Peripartum cardiac failure. A ten year follow-up study 190
Peripartum cardiomyopathy in a rural Nigerian hospital 197

Peritonitis
Brucellosis: atypical presentation with peritonitis and meningitis 160
J. PERRIENS, P. VAN DER STUYFT, H. CHEE and S. BENIMADHO. The epidemiology of paraquat intoxications in Surinam 266
Plasmodium falciparum
Status of the response of *Plasmodium falciparum* to chloroquine and mefloquine in Iran 297
Poisoning
The epidemiology of paraquat intoxications in Surinam 266
Portable glucose meter
Use of a portable glucose meter in a Nigerian diabetic clinic 141
Praziquantel
Praziquantel and acute urban schistosomiasis 172
The effect of praziquantel against *Schistosoma mansoni*-infections in Botswana 49
Prostatectomy
Giant vesico-prostatic and prostatic calculi 164

Quinine
Spontaneous and quinine induced hypoglycaemia in severe falciparum malaria 73

Radiology
Malignant giant gastric ulcer in a Nigerian 85
GANGARAJU C. RAJU and V. NARAYNSINGH. Breast cancer in West Indian women in Trinidad 257
Respiratory infections
Value of C-reactive protein concentration in diagnosis and management of acute lower respiratory infections 309
Retinoblastoma
Epidemiological observations of consanguinity and retinoblastoma in Arabia. A retrospective study 361
Retinopathy
Plasma magnesium and retinopathy in black African diabetics 234
Rhinosporidiosis
Rhinosporidiosis in a Nigerian 277
Riboflavin
Riboflavin status in Saudi Arabia – a comparative study in different regions 22
JOS VAN ROOSMALEN. Multiple pregnancy as a risk factor in rural Tanzania (*Letter to the editor*) 173

Salivary gland
Primary malignant lymphoma of the submandibular salivary gland in a Nigerian. Case report and review of literature 280
R. SARODE, G. GAREWAL, N. MARWAHA, R.K. MARWAHA, S. VARMA, K. GHOSH, D. MOHANTY and K.C. DAS. Pancytopenia in nutritional megaloblastic anaemia. A study from North-West India 331
MOHAMED B. SATTI, SULEIMAN AL-MOHAYA and ABDELHAMID S. OMER. Hansen's disease: a cause of lymphadenopathy in endemic areas 80
Schistosomiasis
Praziquantel and acute urban schistosomiasis 172
Schistosomal ova in a female breast 365
The effect of praziquantel against *Schistosoma mansoni*-infections in Botswana 49
Transmission of lymphocyte responsiveness to schistosomal antigens by breast feeding 208
TESHALE SEBOX and JEFFREY GOLDHAGEN. Anthrax in Ethiopia 108
D.K. SEN, R. MULLER, V.P. GUPTA and J.S. CHILANA. Cestode larva (sparganum) in the anterior chamber of the eye 270

Sickle cell anaemia
Double-blind randomised clinical trial of pentoxiphyllin in vaso-occlusive sickle cell crisis 320
Renal and electrolyte profile in steady state sickle cell disease: observations in patients with sickle cell disease in the Netherlands 128
Splenectomy in Nigerian children with sickle cell anaemia 123
The effects of glucose-6-phosphate dehydrogenase deficiency on the haematological parameters and clinical manifestations in patients with sickle cell anaemia 52
Sickle gene
Hpa-I polymorphism and the sickle gene in Nigerians 133
A.K. SIDDIQUE, Q. ISLAM, K. AKRAM, Y. MAZUMDER, A. MITRA and A. EUSOF. Cholera epidemic and natural disasters; where is the link 377
Society
Meeting Netherlands and Belgian Societies of Tropical Medicine, April 15-16, 1988 94
Meeting Netherlands Society for Parasitology, November 11, 1988 175
Sparganum
Cestode larva (sparganum) in the anterior chamber of the eye 270
Spinal muscular atrophy
Werdnig-Hoffmann disease in a Nigerian infant 282
Splenectomy
Splenectomy in Nigerian children with sickle cell anaemia 123
BONITA STANTON and JOHN D. CLEMENS. Chronic diarrhoea: a methodologic basis for its apparent heterogeneity 100

Testicular tumours
Non-germ cell testicular tumours in Nigerians 358
T. TEUSCHER, C. WEIL VON DER AHE, P. BAILLOD and B. HOLZER. Double-blind randomised clinical trial of pentoxiphyllin in vaso-occlusive sickle cell crisis 320
Thrombocytopenic purpura
Autoimmune thrombocytopenic purpura (AITP) in Zimbabwe 326
J.J.M. TOLBOOM, A.P. RALITAPOLE-MARUPING, H. KABIR, P. MOLATSELI and J. ANDERSON. Severe protein energy malnutrition in Lesotho, conditioning factors and death and survival in hospital 1
Toxocariasis
Seroprevalence of *Toxocara* infection in young children in the city of The Hague 294
Trachoma
Trachoma in Kaduna, northern Nigeria. Recent observations on pattern of clinical presentation 41
Traditional healing
The traditional healer's approach to the treatment of obsessional neurosis. A case study at Ibadan 383
Triglycerides
Plasma HDL cholesterol, triglyceride and total cholesterol levels in non insulin treated Nigerian diabetics 238
Tropical medicine
Meeting Netherlands and Belgian Societies of Tropical Medicine, April 15-16, 1988 94
Trypanosomiasis
Trypanosomiasis in a rural hospital in Tanzania. A retrospective study of its management and the results of treatment 113
EDEMARIAM TSEGA. Laparoscopic evaluation of ascites and other abdominal conditions in Ethiopia 341
Tuberculosis
Serum immunoglobulin and acute phase protein concentrations in pulmonary tuberculosis patients in Singapore 218
Tuberculosis presenting as corticosteroid responsive wheezing in infancy 274
Twins
Combined intrauterine and extrauterine pregnancy in a consistent twin producer 167

Typhoid fever
Enzyme-linked immunosorbent assays (ELISA) for the diagnosis of enteric fever 213

EMMANUEL O. UDEZUE, ALEX C.J. EZEOKE and JOHN M. OLI. Use of a portable glucose meter in a Nigerian diabetic clinic 141
Urban population
Birthweight distribution in a healthy urban population in Surabaya – Indonesia 146
Urbanization
The emergence of colonic diverticulosis in urbanised Indians. A report of 23 cases 254
Urinary calculi
Giant vesico-prostatic and prostatic calculi 164
Urography
Intravenous urographic findings in Burkitt's lymphoma 261

HANS J.G.M. VEEKEN, MARIJ C.A. EBELING and WIL M.V. DOLMANS. Trypanosomiasis in a rural hospital in Tanzania. A retrospective study of its management and the results of treatment 113
H.R. DE VRIES and S.M. LAMPLUGH. Aflatoxins in liver biopsies from Kenya 26

Water
Cations and anions in drinking water as putative contributory factors to endemic goitre in Plateau State, Nigeria 346
Contamination of drinking water during collection and storage 138
Werdnig-Hoffmann disease
Werdnig-Hoffmann disease in a Nigerian infant 282
Wheezing
Tuberculosis presenting as corticosteroid responsive wheezing in infancy 274
CHONG T. WONG and NILMANI SAHA. Serum immunoglobulin and acute phase protein concentrations in pulmonary tuberculosis patients in Singapore 218

Xerophthalmia
Food consumption of children with and without xerophathalmia in rural Tanzania 14
